AI TUTORIAL

教學 · Tutorial by Lucia Luo

Bring one thing you're stuck on. Leave with a study pack.

TUTORIAL | No prior knowledge required! | Free · HKBU students

MEET YOUR GENIUS

Lucia Luo · Business School, HKBU

- Expertise:
- Turning course material into concept maps
- Building multimodal study aids — explainers, quizzes, simulations
- Solving business maths & data problems with AI

1	2	3	4	5
BRING	MAP	MAKE	FLIP	BANK
帶材料	畫地圖	換形式	反過來	存起來
one real thing	text → structure	another modality	it quizzes you	save it + a 20–min plan

TUTORIAL

[date & time TBC]

Teachers hand you linear text. Your brain needs structure and doors. Bring a chapter, a formula or a problem set and turn it into a concept map, an explainer and a quiz you can actually revise from — then keep the method.

CONSULTATION (walk–in)

[times TBC]

Drop in after the tutorial for one–to–one advice and to refine your own study pack. You may also book another time.
